X1 Before you go, you may recall when you were in Year 9 you participated in the National Assessment Program – Literacy and Numeracy, which is often commonly referred to as NAPLAN. (If required - It was a series of tests which assessed you in reading, writing, language and numeracy).

In order to make better use of the LSAY data and improve outcomes for young people, the LSAY team is working on a new research project that combines LSAY data with your school NAPLAN test scores.

It doesn't require anything from you, other than your permission to have your test scores matched to your LSAY data by qualified data professionals.

Would you be interested in helping out with this project?

1. Yes
2. No

GO TO SECTION K

(INTERVIEWER NOTE: If uncertain, indicate there are no other requirements other than providing consent and this will only take two minutes to explain the project and record the consent.)

X2 Before I can get your consent, I need to make sure you understand the following:

1. Wallis Market and Social Research (that's us) will provide your contact details (name, gender, month and year of birth, as well as your 2009 school name and postcode) to the South Australian Department for Education and Child Development (DECD) - who have your NAPLAN scores.
2. The South Australian Department for Education and Child Development will then provide your NAPLAN scores to the research organisation (NCVER) for statistical analysis, but only after they remove all your contact details (if required, add that they use a unique identification number to make the matching happen).
3. The research organisation will collect, store and analyse the information only for the purposes of this LSAY and NAPLAN research project. Please be assured that once the information has been linked, there will be no personally identifiable information included in the data.
4. Giving your consent is completely voluntary and you are free to withdraw your consent from this research project at any time. If you decide to withdraw, then your agreement ceases from the date of your withdrawal. Whether or not you consent will not affect your participation in the LSAY program.

X3 Do you give permission to add your NAPLAN scores to your LSAY records?

1. Yes
2. No GO TO SECTION K

If you have any questions at any time, you can call us back on 1800 241 271 or go to the following website <http://www.lsay.edu.au/aboutlsay/surveypart.html>

**ONLINE ONLY
PERMISSION QUESTIONS FOR ALL REMAINING (IE EXCLUDING Y09 SA, VIC AND QLD
RESPONDENTS)**

X4 Before you go, in order to make better use of the LSAY data and improve outcomes for young people, the LSAY team is working on a NEW RESEARCH PROJECT that combines LSAY data with school NAPLAN (Year 9) test scores.

It wouldn't require anything from you, other than your permission to have your NAPLAN test scores matched to your LSAY data by qualified data professionals.

Please be assured that your personal information would remain confidential and giving consent is completely voluntary. Whether or not you consent would not affect your participation in the LSAY program.

At this stage we're just seeing how many people would consider consenting (you will not receive any follow-up emails, calls, letters or anything about this new research project) – we're just seeing if it's feasible to get enough people consenting.

Would you be interested in consenting if the project was rolled-out?

1. Yes, I would consent to having my NAPLAN (YEAR 9) scores added to my LSAY data
2. Not sure
3. No, I would not consent
